

Dr Rachel Elaine Dunham

Is board-certified with the American Board of Family Medicine and is a Diplomate of the American Academy of Family Physicians. She completed her residency training at Memorial Hospital Family Medicine Residency where she also served as Vice Chief Resident and completed a Focus on the Underserved. Prior to that, she received her medical doctorate at the Medical School for International Health and her Bachelor of Science in chemistry at Sterling College. She worked in a Family Practice Clinic doing outpatient family medicine and nonsurgical obstetrics prior to moving to Duhok. She currently serves as a Supervisor with the Family Medicine Residency Program in Duhok and also works with a clinic in Khanke Camp. She loves helping people pursue wellness and believes we do this best when working together.
